Roger Maina receives congratulations as new Area Chief from Jerry Burman.

#### AREA 7-DK CONFERENCE

On the weekend of September 16-18, 13 members of the Owasippe Lodge attended the 1966 Area 7-DK Conference at Camp Kadeka. The Conference was a huge success. Approximately 100 delegates from ten lodges took part in the learning and fellowship. Owasippe and Wiyapunit Lodges were commended for their performance as co-hosts of the Conference.

The delegates attended discussion sessions on Saturday. The discussions were on four subjects--camp promotion, lodge organization and administration, lodge year round program, and lodge membership. All of the delegates left the Conference feeling that they had gained something valuable by the free exchange of ideas between the lodges at these discussions. There was considerable time for informal fellowship.

Saturday evening Ma-Ka-Ja-Wan Lodge put on a magnificent campfire. The main feature was Indian dancing. All of the lodges participated in the skits and songs. The lodges in attendance were Lakota, Ma-Ka-Ja-Wan, Michigamea, Noo-Ti-Mis-Oh-Ke, Wabaning, Ne-Con-Che-Moka, Owasippe, Natokiokan, and Wiyapunit. Everyone enjoyed the program.

The main business Sunday was the election of the new area officers at the Lodge Chief's Meeting. The new area officers are as follows: Chief-Roger Maina (Owasippe), North Codeputy Chiefs-Bob Hirsch and Pete Gaines (Owasippe), South Deputy Chief-John Upchurch (Michigamea). Since Area D has been designated to have a representative on the National Conference Committee, Roger Maina will attend the planning meeting for the 52nd Anniversary National Conference on December 27-29, 1966, at the University of Nebraska campus.

Other business discussed at the Chief's Meeting included preliminary planning for the next area conference. The next area conference will be a one-day affair at a high school in January, 1968. A planning meeting will be held in March, 1967, and is to be hosted by Leekwinai Lodge. Also, it was resolved to provide the Area Chief with some token in recognition of his office. The dues assessment for Area 7-DK lodges will be \$5 each for this year.

The Conference ended with an inspirational message from Jerry Blake, the area adviser. The special rededication ceremony, which has recently become an integral part of ordeal, brotherhood, and vigil induction ceremonies, was introduced. The challenge from the National Lodge was stressed, as we left, for every Arrowman to recruit one new Cub Scout, Boy Scout, or Explorer before the end of 1966.

#### LETTER FROM ROGER MAINA, CHIEF

Dear Brothers,

Since the time for chapter and lodge elections is upon us, I wish to give a few words of admonishment to all the Arrowmen who will be active during the next year. These officers whom you select, both lodge and chapter, must be of the highest caliber and have the greatest enthusiasm for the Order of the Arrow. The boys whom you elect to lead you through the next year must show the willingness to serve even more than his fellow Arrowmen. I hope that those are the qualities that you will look for.

Letter - cont'd

After the elections, every Arrowman should endeavor to assist his officers in making his chapter the best in the lodge and his lodge the best in the nation. I know you can do it; the potential is there. If every Arrowman would resolve to improve his service to unit, chapter, and lodge, the Order of the Arrow in the Chicago Area Council will no doubt be the one which all other lodges look up to and admire.

Remember, dedicated service is the key to successful results.

Yours in Service,

*Roger Maina (dl)*

ROGER D. MAINA, Chief  
Owasippe Lodge

#### HAVE YOU TRIED ANY NEW PIONEERING PROJECTS?

Greetings, Brother Arrowmen:

I am proud of the job currently being done by the Owasippe Lodge, and especially the work being done in the field of camp promotion. However, I believe all of us must constantly remind ourselves that the primary responsibility of an Arrowman is active membership and leadership in his own troop or post. Only if he measures up to this responsibility can he effectively render cheerful service on a broader scale to his district and to the Council.

My thanks to all for the fine job in 1966, and best wishes for continued success in 1967.

ALDEN G. BARBER  
Scout Executive

## CAMP STAFF TRAINING - cont'd

Briefly, the qualifications are as follows:

1. The candidate must complete his sophomore year of high school before July 1.
2. He must receive recommendation of unit leader.
3. He must be a good student in school, planning to attend college.
4. He must have a good record of advancement, and have demonstrated leadership ability.

During the first year of the two year program, the candidate receives his board, lodging, and transportation to and from camp. He will have the expense of two summer uniforms, spending money, and laundry. During the second year, he receives a small allowance for out-of-pocket expenses.

Discuss this opportunity with other young men in your chapter, you are sure to find an Owasippe staff member who can advise you as well. Your unit leader has an application, but, if you would rather write to the Council Service Center for one, you may.

Training begins June 24, and ends August 28, 1967.

### MERRIAM EXPLORER BASE by: Warren Powers

Merriam Explorer Base is a 200-acre, year-round, high adventure spot in beautiful Wisconsin, available to the Explorer posts and ships of the Chicago Area Council. The Base program features include Lake Virginia with fine aquatics opportunities and exceptionally good fishing. There is a rifle range, archery course, and .22 caliber Moskeet range.

Among the winter sports featured at Merriam are tobogganing, snowshoeing, ice skating and hockey, skiing, and fishing through the ice.

Seven of the 48 Wisconsin water trails are within easy distance of the Base. Canoes can be rented and transported to the start of a canoe trip. At the trip's completion, you can be met and the canoes returned. Outlines and trail maps may be examined at Merriam or secured through the Wisconsin Conservation Department, Madison, Wisconsin, 53701.

A short distance from the Base are the Poynette Game Farm, fish hatcheries at Wild Rose, the Mecan Hunting and Fishing Preserves, and many other areas of interest.

In the spring and summer, units can use a tent site or a site of tent cabins. Rental equipment is available. Fall and winter dormitory facilities are available in the barn at Merriam with indoor cooking and dining facilities for forty people. A guest lodge is available in spring and summer and the early fall and is for adults primarily.

The Base is available to all Explorer units as well as to district and Council groups such as Explorer Cabinets, ORDER OF THE ARROW FELLOWSHIPS, and others. Rates are 50¢ per person and includes program necessities and equipment such as boats, canoes, rifles, bows and arrows, fishing rods, etc; and \$1.00 per person for the guest lodge.

Reservations may be made by writing to Exploring Service or phoning 782-3990. For further information, contact Mr. W. Powers at the Council Service Center headquarters.

## ORDER OF THE ARROW AND THE XII WORLD JAMBOREE

A number of Order of the Arrow members will be needed as service personnel at the XII World Jamboree, August 1-9, 1967. This will be the first world jamboree to be held in the United States. Farragut State Park in Idaho will be the site of this great gathering of boys from all over the world.

Service troops will be organized to aid in several important assignments--commissary service, dining area service, telephone service, and for such duties as traffic control and at conservation demonstration areas.

All service personnel attending the Jamboree will be required to pay the full Jamboree fee of \$50 and to provide their official BSA jamboree uniform. They will also be responsible for providing their own transportation from their home to the jamboree and return. Extra meals before and after the jamboree will be provided for service personnel.

Service troops will be needed from about July 24 through August 10.

Applicants must be 16 years of age by June 1, 1967, and must not have reached their 18th birthday by August 1, 1967. If they are Boy Scouts, they must have reached Life Scout rank or higher. There is no rank requirement for Explorers. It would be helpful, but not required, if these members could speak another language in addition to English.

Here is the opportunity of a lifetime to participate in a great world jamboree. If you desire to submit an application for consideration, write to the National Secretary, New Brunswick, N. J., 08903, before October 31, 1966. Send a copy of your letter to your Scout executive. Application forms will be mailed to you with instructions and pertinent information.

## NATIONAL CONFERENCE

August 28 - September 1, 1967

University of Nebraska -- Lincoln, Nebraska

Application blanks are now available from Mr. David LeFeber, Camping Service, Chicago Area Council, BSA, 300 W. Adams St., Chicago, Illinois, 60606.

This column has received only one suggestion since the last newsletter concerning Owasippe Lodge's contribution to the National Conference. Are we going to remain apathetic to the challenge that is before us? Now is the time when we should be planning.

With Roger D. Maina serving as Area Chief, and Area D serving on the planning committee, we should have the best delegation possible to back him up. The sooner applications are made, the sooner you can start planning what you, as members of Owasippe Lodge, can contribute to the National Conference. Dance Team? Unique approach to camp promotion? Can we say we have helped increase the number of campers at our summer camp? DO YOU HAVE ANY IDEAS?

NOW is the time for you who are interested to make application for the National Conference. This will be a memorable experience for you. At the advisory committee meeting, as closely as can be ascertained at this time, the cost will be between fifty and sixty dollars--transportation and housing. Transportation is by chartered, air-conditioned bus.

HAVE YOU HELPED PUT ADVENTURE INTO YOUR UNIT'S CAMPING?

## INTERNATIONAL WORLD JAMBOREE

by: William Lidderdale

The first International World Jamboree ever held in the United States will be held this coming summer, August 1-9, at Farragut State Park, Idaho.

The theme of this Jamboree will be "For Friendship." The United States will play host before, during, and after this Jamboree. Thousands of Scouts from nearly 100 countries of the free world will be entertained as guests in the homes of American Scouts and most will have the opportunity to visit parts of our country.

Scouts and Explorers interested in this once in a lifetime opportunity should call the Chicago Area Council, BSA, 782-3990, and ask for the Activities Service, ext. 287. Jamboree applications will be sent upon request. Cost for this Jamboree, which includes a tour of the Pacific Northwest, is \$405.00. The Chicago Area Council has been allotted only 54 spaces in Region 7 of a delegation that will consist of 15 troops, and 495 Scouts. Jamboree training will be held at Yorkville Scout Camp, July 24 - 26. The Jamboree contingent will board their special train at Yorkville, and leave at 7:00 p.m., on the 26th, returning to Union Station August 12. The tour will be an exciting one.

The tour will include - Glacier National Park, Seattle, Washington; a cruise through Lakes Washington and Union; from the World's Fair; across Puget Sound by ferry to the Bremerton and Puget Sound shipyards; a visit aboard the Mighty Mo, on the deck of which the surrender of Japan was signed; a four hour sail by steamer to Victoria, British Columbia, and a tour around Victoria.

The XII World Jamboree will be a gathering of Scouts from many nations of the world. To date, eight World Jamborees have been held in Europe and England, one each in Canada, the Philippines, and Greece. This will be the first Jamboree ever held in America. We look forward to this being one of Scouting's most exciting adventures. Nearly 20,000 Scouts and Scouters, including 4,782 American Boy Scouts will be in attendance.

The opportunity is ours to improve international understanding and good will between the United States and the other countries at the Jamboree. Friendships made here will strengthen world brotherhood.

The Jamboree will be another living lesson to other nations that boys can work and play

together, just as all men might. This brotherhood will have its influence on coming generations of all free nations. Our Scouts, as members of the United States host nation, will have a big responsibility along with many opportunities.

Twenty-five dollar fee payment is due with the application. On December 15, there will be \$133 due; on February 15, there will be \$133 due; and the balance of \$134, will be due on March 15, 1967.

Following are the qualifications of Scouts and Explorers:

1. Have reached the 14th birthday on or before January 1, 1967, but not reached the 18th birthday on August 1, 1967.
2. Boy Scouts must qualify as Life Scouts or higher before April 1, 1967.
3. Explorers who have not been Scouts must be registered on or before July 1, 1966, and must meet the other requirements of camping experience, leadership, Scouting spirit, etc. Explorers who have been transferred directly from a Boy Scout troop as Life Scouts will be eligible to participate.
4. Be physically qualified for strenuous activity.
5. Exemplify the Scout Oath and Law.
6. Proficiency in: --- campcraft, handling tentage, axemanship, fire building, and cooking.
7. Have a general knowledge of world conditions and of our country's history; be able to state clearly the fundamental principles on which our country was founded.

### CAMP STAFF TRAINING

Available to O/A Members

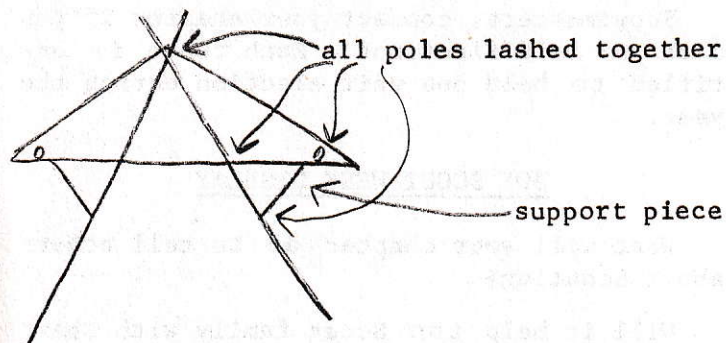

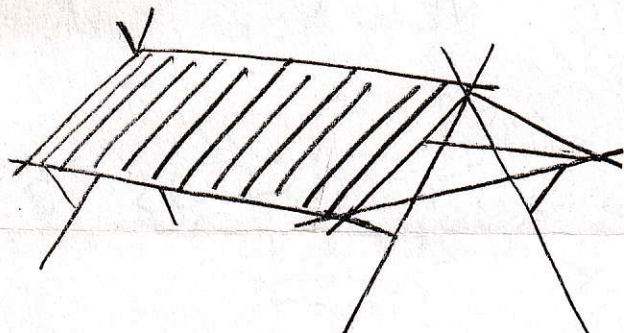

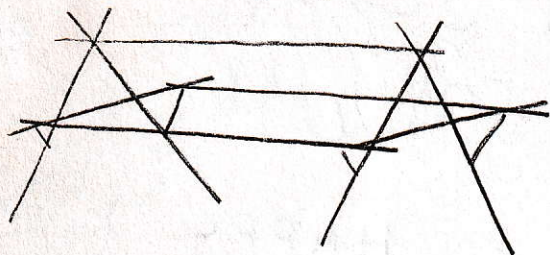

To provide the Owasippe staff of the future, each year a new class of 32 Counselors-in-Training is recruited and organized. This training provides an opportunity for O/A young men to gain experience in the art of camp leadership, to work with adults and Scouts alike, to develop good work habits, to accept responsibility, and to learn the skills of camping. O/A members can also benefit by leading and participating in weekly O/A ceremonies held in camp.

The Counselor-in-Training spends the first week participating in the camp staff orientation. This is followed by two program and two service types of job experiences of two weeks each. Conceivably, this experience could be gained in as many as four different camps. Each Friday afternoon, using the showando method, the Counselor-in-Training gains knowledge in skills and the administration under the guidance of the Reservation Director.

### THE COMPLETE CAMP PROMOTION TEAM by: Robert Lipshultz

Owasippe summer camp promotion is one of the Lodge's primary function; and a well organized and prepared chapter promotion team can do much to provide Scouts with the opportunity of attending camp. The scope of the chapter camp promotion team's operation can be quite broad. Arrowmen may do the following:

1. Present the "camp story" at unit meetings through the use of the Chicago Area Council's Owasippe filmstrip and record, using "O/A Outline of Speech," and other tools, with an accompanying question and answer session. Individual camps should be discussed.

2. Assist the unit leader in advance with planning his program, patrol organization, etc.

3. Suggest a suitable camp saving plan for the Scouts.

4. Provide personal camp equipment lists for individual Scouts and a list of necessary troop equipment for the unit leader.

5. Encourage troops without adult leadership to take advantage of the provisional camp troops, or help arrange to send Scouts with a neighboring unit.

The extent to which the services of the camp promotion team will be utilized by the leaders of the district will, of course, vary from unit to unit. Our policy should be to offer our services to everyone, and to aid any leader. The team's target should be the new or weak unit, or an active one that does not offer its boys a good summer program.

The camp promotion team should consist of both boys and adults who have attended the Owasippe Scout Reservation themselves, and who can speak from experience. As a rule, it is best to have boys speak to boys, and adults to adults. At a mixed meeting, a boy should field questions from Scouts and an adult should deal with those asked by parents. Nothing can convince a boy to attend camp as can someone of his own age! The promotion team should be equipped with a filmstrip and projector (available through your district executive), a screen and extension cord, official play material, such as maps and postcards of Owasippe, unit camp photos, etc. Use your imagination! If at all possible, it is best to have an auto or two at the team's disposal to transport personnel and equipment.

In early autumn, the promotion team should offer its services to the district's Scouters. This may be done through letter or phone, announcements at roundtables, camporees, and commissioners' meetings. The district executive and camping chairman should be informed of, and in accord with the team's plans. At a later date, double postcards may be sent to unit leaders asking them to complete one part of the card requesting a date, and return it to the team chairman. In this way, the chairman can more easily arrange his team's schedule.

The arrow team should be fully apprized well in advance of time and physical circumstances in which the camp presentation will be made so that necessary personnel and equipment will be on hand, and on time, the night of the meeting. Arrowmen, in full uniform and sash, but not overdressed, should know how to use the equipment and should be able to field any and all questions relevant to camp. With tact, and sound organization, the chapter camp promotion team can indeed render valuable service to Scouting. How is your team doing?

Be sure your chapter scribe includes your zip code on the registration form, otherwise, you will not receive your newsletter.

Welcome to the rejuvenated Amatoka Chapter. By now it is taking its place with the rest of the Owasppe Lodge in furthering the ideals of our Lodge.

Uteney Chapter supplied four boys for the Boy Scouts' part in the National Safety Congress program Tuesday, October 25, 1966. They were Joe Svejda, Dan Deak, Ray Hildreth, and Bob Ivetic.

As of the date of this Newsletter, we have received only one suggestion as to the name for this Newsletter. Come on, send them in! Guess you're also satisfied with the content of the Newsletter. Chapter Chiefs, where is the news of your chapter? Are we to believe that you do nothing? No meetings? No service projects??? Come. Come.

### SPECIAL SPECIAL SPECIAL

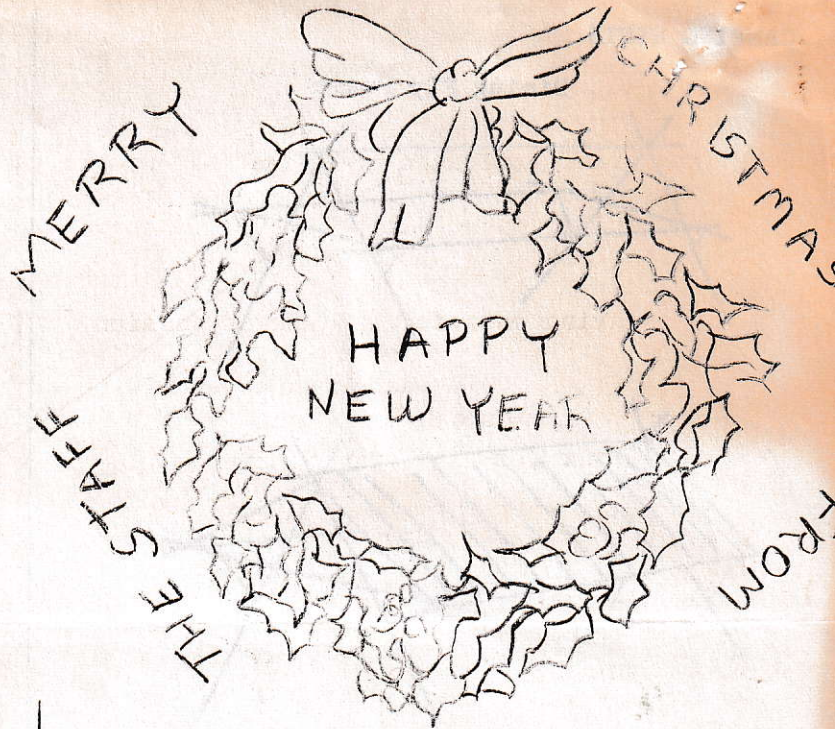

Are you interested in doing service at the Annual Council Meeting? If you are, phone Roger Maina, 238-9421 and give him your name.

### HAVE YOU HELPED ANOTHER BOY BECOME A SCOUT?

We are happy to announce that Jim Kanki has recovered and is up and around again.
